"Love allows children to grow through their mistakes and logic happens when we allow them to live with the consequences of their choices."

PARENTING WITH *LOVE & LOGIC*

Parenting Made Fun!

This class is for parents of children birth to age six, though parents with children of all ages are welcome. This is a common sense approach to parenting. With Love and Logic, children learn how to live with the consequences of their actions, how to make wise decisions and avoid blaming others for their problems.

Topics covered:

- Importance of Empathy
- Handling misbehavior without breaking a sweat.
- Teaching kids to listen... the first time.
- Avoiding power struggles.
- Limits create happier parents, happier kids, and happier families.
- What to do when your kids leave you speechless.
